

TAKECHARGE™

A Cost-Effective, All-in-One POS

Flexible All-in-one POS Solutions

Sound POS is a cost-effective, all-in-one Point-of-Sale solution for merchants that seek the convenience and tools to make better decisions and grow their business.

Sound POS runs on a variety of devices, and the Sound POS Lite platform can operate as a stand-alone or companion solution.

A Perfect Fit

Sound POS makes it simple! Use Sound POS Lite for line busting, deliveries or the option to take payments anywhere in the store.

Get more with an advanced solution that provides all the features of the Cloud Portal right from the point-of-sale.

The Easy-to-use Cloud Portal

Merchants can operate their business more efficiently from any PC, tablet or mobile device via the Cloud Portal.

View and manage:
